

For our employees who elected to cover children under age 19 on our health plan.

Uses the Anthem Blue View Vision Network

### Pediatric vision EHBs

All of our Small Group health plans include pediatric vision EHBs, which provide coverage for vision exams and glasses or contacts for kids up to age 19. Adult vision exam benefits are also embedded into our plans.

Anthem Vision Pediatric Blue View Vision network	In network	Out of network*
<b>Routine eye exam</b> (once every calendar year)	\$0 copay	\$0 copay up to plan's maximum allowed amount (MAA) (of \$30)
<b>Lenses – single, bifocal, trifocal</b> (once every calendar year)	\$0 copay	\$0 copay up to plan's MAA (of \$25, \$40, or \$55)
<b>Lens options and treatments</b>		
UV coating	Covered in full	N/A
Standard factory scratch coating	Covered in full	N/A
Standard polycarbonate	Covered in full	N/A
Standard Transitions®	Covered in full	N/A
Standard progressive lenses	Covered in full	\$0 copay up to plan's MAA (of \$40)
<b>Frames</b> (once every calendar year)	\$0 copay, formulary	\$0 copay up to plan's MAA (of \$45)
<b>Elective contact lenses</b> (once every calendar year – in lieu of eyeglass lenses)	\$0 copay, formulary	\$0 copay up to plan's MAA (of \$60)
<b>Nonelective contact lenses</b> (once every calendar year – in lieu of eyeglass lenses)	Covered in full	\$0 copay up to plan's MAA (of \$210)
<b>Low vision</b> (once every five calendar years)	Covered in full	N/A

Because these benefits are part of a health plan, they share a combined deductible and out-of-pocket maximum.

Covered children can choose from a selection of frames and contact lenses.

### Adult vision benefits
