

Enrollment form instructions

Fill out the attached form, sign it, and return to your plan administrator.

Important—after completing this form, you'll still need to register on our website to manage your account and select investments.

Investment option(s)

By signing this form, you agree that all contributions will be invested 100% in the plan's default investment option (DIO) selected by your plan trustee(s), until you select another investment option(s) online at myplan.johnhancock.com or by calling **800-395-1113**. During your enrollment, you may also call your personal enrollment specialist at **855-543-6765**.

If your plan's DIO changes, you'll remain invested in the fund(s) listed on the form. If your plan's DIO is a target-date suite, you'll be invested based on the target date that's closest to the year you reach age 67. If you don't provide a date of birth, your contributions will be invested in the most conservative target-date fund.

Consider consolidating your retirement accounts[†]

If you have other retirement accounts, such as a 401(k) account with a former employer or an IRA, you may be able to move them into your new retirement account with John Hancock.

To learn more about this option, if consolidating your accounts is right for you, simply indicate that you'd like to discuss your options on the enrollment form or call us at **1-877-525-7655**.

Speak with a financial representative to determine if combining your retirement accounts is suitable for you, as other options are available.

[†] Available for plans using John Hancock's consolidation services; rollovers are subject to the provisions of your company's plan.
