Get care and much more

With the Kaiser Permanente app, you can:²

- Get care in a way that works for you — online, by phone, or in person
- Find urgent care, pharmacies, and doctor's offices near you
- Access your digital ID card to check in for appointments and pick up prescriptions
- Schedule, view, and cancel routine appointments
- Email your doctor's office with nonurgent follow-up questions or medical advice
- Call Member Services with questions about your plan, benefits, billing, and account
- See a list of your medications, fill most prescriptions, and check the status of recent prescription orders
- View your medical history, including immunizations, lab results, and a personalized health action plan
- Submit a claim for reimbursement or pay a medical bill
