The following directory shows HMO medical groups by network participation. Your employer offers the **CaliforniaCare HMO Network and the Select HMO Network**.

Medical groups are sorted by County.

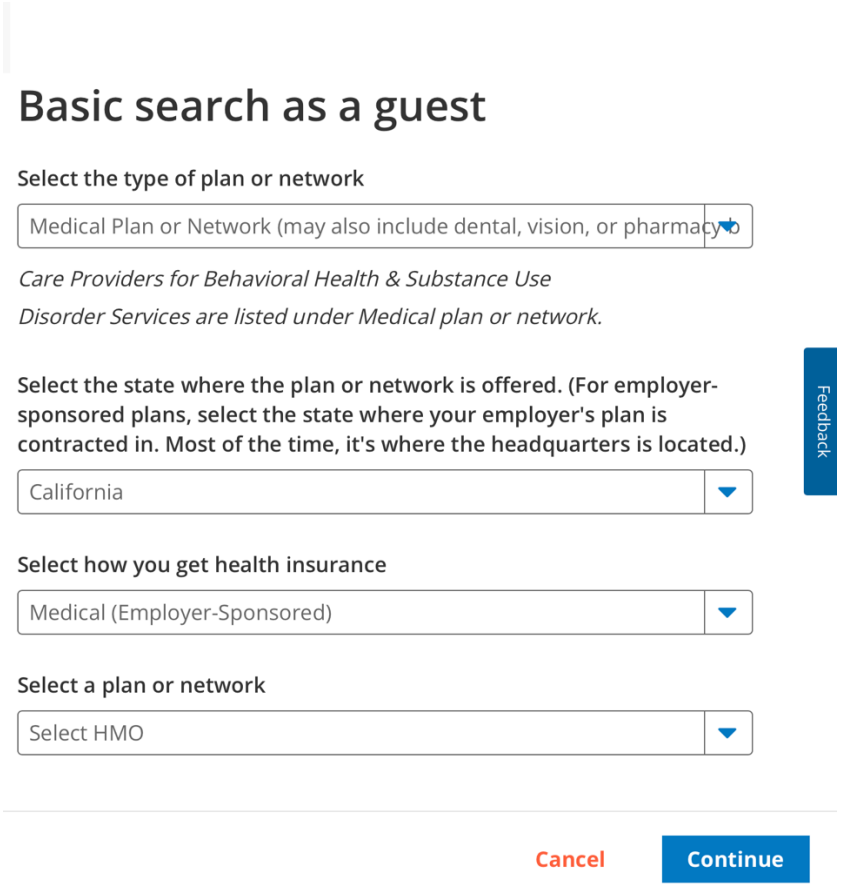

Please write in the doctor and medical group you'd like to use for services on the enrollment form Section D. If you do not have a preference, let your employer know.

If you are covering dependents, each family member can pick providers in different medical groups, but medical group **needs to be in the same network (CaliforniaCare or Select) that the employee picks.**

To look up a provider specifics and ID number go to www.anthem.com/ca

Click the **FIND CARE** button in top right of Anthem's home page.

Then click the "Basic Search as Guest".

Anthem

Useful definitions

PMG/IPA

A participating medical group (PMG) or independent practice association (IPA) is a group of physicians organized as a legal entity that provides services to health maintenance organization (HMO) members.

Prime code

Anthem's identifying number for its contracted PMGs and IPAs.

County

Primary county where the PMG or IPA offers services. A medical group's primary location or headquarters may be based in one county with satellite offices in other counties.

CaliforniaCare

Anthem's broad HMO network for the state of California.

Select HMO

This network is built around those PMGs/IPAs demonstrating highly efficient practice patterns and hospital referrals.

Priority Select HMO

This network is built around those PMGs/IPAs demonstrating very efficient practice patterns and hospital referrals in these Southern California counties: Los Angeles, Orange, Riverside, San Bernardino, and San Diego.

Vivity

Vivity is a first-of-its-kind joint venture in Southern California. Top-ranked health systems have come together with Anthem to create a value-based-care model that delivers a seamless member experience with quality, coordinated, and cost-effective care. Vivity offers unique features that expand access and choice of providers within Vivity's network of PMGs/IPAs.

Updates (from the July 2024 version):

Removal of Brookshire IPA, Scripps Clinic Torrey Pines, and Scripps Coastal Medical Center-Hillcrest from all networks in all counties.
